Giving is a function of commitment and resources. When thinking about your income and your financial commitment to the congregation, please consider your Unitarian Universalist values. Together we individually and collectively are responsible for resourcing UUCM & our movement.

1. Determine your monthly income or resource level.
2. ADD any unusual or periodic income such as inheritances, business income, anticipated investment income, etc.
3. Subtract any extraordinary expenses such as large medical expenses, care of a parent, or large financial expense, etc.
4. From the Adjusted Monthly Income column, move to the right to find a giving level that you are ready to support.

A “sustaining” member keeps our doors open and a “visionary” member helps UUCM step into the future with strength and vigor to extend our liberal religious presence and service into the wider community. For those who dream boldly!
