

POLICY – Donations of Material Goods

Last approved by the Board of Trustees: 4/2013

UUCM accepts donations of material goods, but we must be selective because of storage limitations. For this reason, most material donations require Board approval.

Before donating material goods to the Unitarian Universalist Congregation of Marin, donors must first contact the Administrator at office@uumarin.org and describe the item(s) to be donated. The Administrator will evaluate the congregation's need for and ability to use the item; as appropriate, s/he will then either decline the donation or bring the donation request to the Board for approval.

In determining whether or not to accept a particular donation, the Board may seek guidance from the relevant congregational committees. The Board shall consider the usefulness of the item(s) to the congregation, as well as security needs, upkeep, expected useful life, and other appropriate factors.

All donations of artwork shall be approved by the Board and the Art/Aesthetics Committee. In general, UUCM cannot accept electronics or household furnishings.

Items UUCM currently needs are listed on our website. Donors must first check the complete list of accepted items on the [Material Donations](#) web page and then contact the Administrator at office@uumarin.org to arrange the donation.

All material donations must be delivered during normal business hours and received by a UUCM staff member.

Visit UUCM's [Material Donations](#) web page.
